When it comes to food and wine at Maderas, we invite you on a trip... metaphorically speaking.

Welcome to the cultural, commercial, and financial center of Northern California...San Francisco is known for its cool summers, fog, steep rolling hills, eclectic mix of architecture and landmarks, including the Golden Gate Bridge, cable cars, Alcatraz, Fisherman's Wharf, and its Chinatown district. We're bringing you the flavors and wines of "The City" to create a very unique Wine Wednesday Menu. We will feature Complimentary Wine Tasting featuring the best wines of the summer! Bottles and cases available for sale at discounted pricing, be sure to secure your favorites of the evening for your cellar.
